Responsibility for coordination of compliance efforts and receipt of inquiries, including those concerning Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act, has been delegated to Jane D. All fraternal and campus related organizations will follow this policy in the selection of their members, except the prohibition against sex discrimination shall not apply to social fraternities or sororities which are excluded from the application of Title IX of the Educational Amendments of 1972.

Regents Policy on Student Organizations and Activities: The established policy of the Board of Regents of the State of Kansas prohibits discrimination on the basis of sex, race, religious faith, national origin, age, or physical handicap within the institutions under its jurisdiction. Just as all students have the right to choose those with whom they would associate with on the campus, an organization shall have the right to select its members subject to those principles. Nothing in this policy shall be interpreted as imposing requirements which would violate the principle of selection on the basis of individual merit.

The responsibility of compliance with these policies lies with each organization. In signing this form, each organization shall acknowledge its understanding of this policy. Such acknowledgment shall assure that there exists no restrictions on membership, either locally or nationally, which violates this policy.
